

CENY SPANISH AFTERSCHOOL PROGRAMS 2015-16:

We are pleased to offer Total Immersion Spanish program afterschool classes for children from K to 5th and 6 to 8th grades, for Nord Anglia and local students.

To enjoy the approach to the Spanish language this program is designed to meet the creative needs of children while they learn Spanish, to develop listening skills essentials to language acquisition.

We use immersion techniques, it means nothing is translated into English. Our lessons and small class sizes are designed to give children ample time to derive meaning through context. CENY's teaching style was designed to give the students a richer immersion experience with just a few hours a week.
